

purpose of a statutory adjudication of water rights as provided for in Chapter 4, Title 73, Utah Code Annotated 1953, as amended, is to adjudicate all of the rights to a water source in a single proceedings, and this result can only be accomplished in this action if all water users having rights within the Utah Lake and Jordan River Drainage Basin are required to submit their water user's claims in this proceedings, and it further appearing to this Court that in order to accomplish a complete and integrated adjudication of all of the water rights within said Drainage Basin this proceedings must include all of the waters, both surface and underground, which are encompassed within and form a part of the Utah Lake and Jordan River Drainage Basin, now therefore it is:

ORDERED that the Petition for Clarification of the Scope of this Proceedings is granted and the State Engineer is directed to proceed with the preparation of a Proposed Determination of Water Rights which encompasses all of the rights to the use of all of the water, both surface and underground, within the drainage area of Utah Lake and Jordan River in Utah, Salt Lake, Davis, Summit, Wasatch, Sanpete and Juab Counties, Utah, as provided for in Chapter 4, Title 73, Utah Code Annotated 1953, as amended.

IT IS FURTHER ORDERED that this action is no longer to be designated as Salt Lake City, a municipal corporation of the State of Utah, et al., v. Tamar Anderson, et al., but shall hereinafter be designated as "In the Matter of the General Determination of the Rights to the Use of all of the Water, Both Surface and Underground, Within the Drainage Area of the Utah Lake and Jordan River in Utah, Salt Lake, Davis, Summit, Wasatch, Sanpete and Juab Counties, Utah".

Dated this 21st day of June, 1972.

/s/ D. Frank Wilkins
D. FRANK WILKINS, DISTRICT JUDGE
